Cancer Treatment Centers of America® at
Midwestern Regional Medical Center

In order to prepare for your evaluation and create a personalized treatment plan at Cancer Treatment Centers of America® (CTCA), we will need to collect your past medical records. The information we collect will allow us to review your medical records prior to your appointment at CTCA. This is necessary to provide you with a thorough medical evaluation from your CTCA treatment team.

Please complete this three-page form to provide us with important contact information from the specific hospitals and physicians with whom you have worked to receive your previous cancer treatment. Please include information from the time of diagnosis through the present time. We will use this information to request copies of your medical records from your providers.

Please complete **all** pages of this medical history form and immediately return to us:

**Fax to (847) 746-6584
or (847) 746-7175.**

If you have any questions, please call
(888) 881-6762.
